Skills

React, JavaScript, HTML5, CSS3, jQuery, Node.js, Express.js, MySQL, MongoDB, Bootstrap
Heroku, GitHub, Axure, Figma, Sketch, Adobe Illustrator, Adobe InDesign

Projects

Groundcycle   live site | github
JavaScript, React, Express,js, Node.js, MongoDB, AxureRP, Figma
A customer-facing informational site with a user account system used to manage services and payments.
- Outlined high-fidelity wireframe with AxureRP for general user flow, user interface, and infographics.
- Redesigned user dashboard to optimize subscriptions, orders, and payment process.
- Translated existing LAMP website to adapt MERN development.

Something Borrowed   live site | github
JavaScript, HTML5, CSS3, Handlebars.js, Express.js, MySQL, Balsamiq
A platform for creating communities facilitating the borrowing and lending of everyday items.
- Visualized low-fidelity wireframe and prototypes with Balsamiq for the team to follow.
- Organized graphics and CSS standards; created Handlebars templates.
- Collaborated with the team to complete the project within a two week timeframe.

Experience

Front End Web Developer | August 2020 - Present
Groundcycle
- Collaborated with backend dev and startup founder to meet business needs in an Agile environment.
- Created a wireframe in AxureRP for the dev team to follow, redesigning and optimizing UI/UX.

Architectural Designer Revit Specialist | December 2017 - March 2019
Whitehall Interiors NYC
- Structured reusable modeling standards. Organized workshops and troubleshooted officewide.
- Managed, drafted, and coordinated design variations with clients and internal project team.

Architectural Designer | August 2015 - October 2017
Rafael Viñoly Architects
- Coordinated with consultants and clients to ensure cohesive communication and project direction.
- Prioritized in a fast-paced environment. Completed tasks independently within target deadlines.

Education

Columbia University | Spring 2019
Certificate in Full-Stack Web Development

Cornell University | Spring 2015
College of Architecture, Art and Planning
Bachelor of Architecture
